Stoughton High Class of 90

Joanne Markow
1990

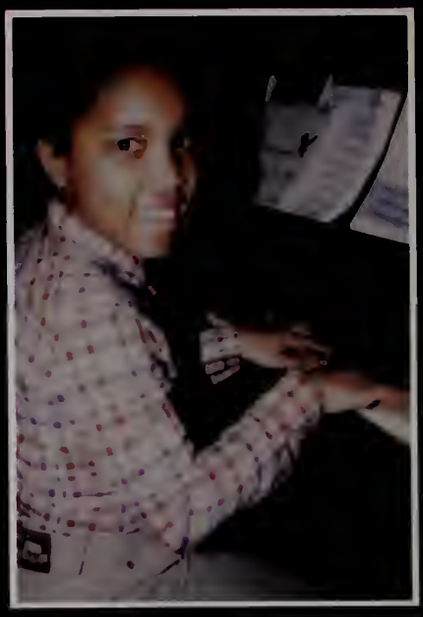

Leaving Stoughton High and entering the world will be a drastic change for all of us but we will forever value our education, treasure our memories, and cherish our friends and loved ones. The world is a vast place with exciting new people and places to encounter. However, a part of Stoughton High will always remain with us in our minds, in this remembrance book, and most importantly, on our faces. Our smiles signify our emotions, communicate our thoughts, and remind us of the adventures we had in high school. They are what keeps us going through the hard times and are what shine through the happy moments. Our class is full of many personalities and a complete range of unique smiles as the next few pages will surely portray.

We recall the cheerful smiles that greet our friends in the morning, the "sigh of relief" smiles when school is cancelled, and the goofy smiles when someone sticks a camera in our faces. Most of all, there are the smiles that will appear in the future as we look back on our lives in high school kept in this treasury of photographs.

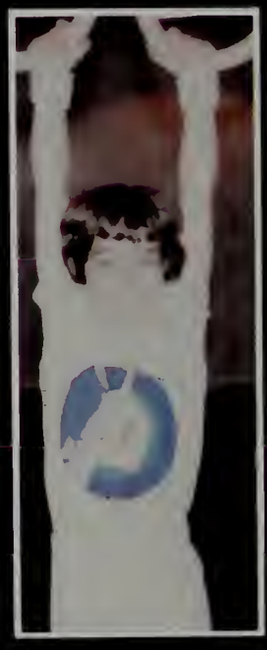

Each of us will face many difficult challenges as we carry out our future plans. Nevertheless, we must meet them with confidence, ease, and with a smile. For, Ella Wheeler Wilcox once wrote, "'Tis easy enough to be pleasant when life flows along like a song. But the man worth while is the one that will smile when everything goes dead wrong."

It is to our ***SMILES*** that the 1990 *Stotonian is fondly dedicated. Best wishes to Stoughton High's* **Class of 1990 and good luck in all future endeavors. Though life's journey may separate each of us, our smiles will reunite us someday. "Forever, and forever, farewell...If we do meet again, why, we shall smile." (Shakespeare)**

Joanne Markow

"Pictures of the smiles we left behind, smiles we gave to one another for the way we were."

YEARBOOK STAFF MEMBERS (partial) included **(Front) Malina Saval, Julie Fidler, Dana Rakvica, Leslie Cariofiles, Julie Sears, Heidi Panek; (2nd) Karen Macrogianis, Lisa Melendy, Stacey Wagner, David Green, Meredith Rosenthal, Ryan Love; (Rear) Angela Blake, Sue Pratt, Beth Rosenburg, Jill Sipos, Joy Sipos, Christina Petruzzo, Lisa Greenfield, Mr. Sumner Tapper (advisor), Michael Rosenstein, Jennifer O'Connell, Pamela Trebby, Stacey Trushin.**

Joanne Markow *Editor-in-Chief*

Dana Rakvica *Business Manager*

Each STOTONIAN is the result of hard work by many dedicated individuals, and the 1990 edition is no different. Over 125 SHS students were involved in editing, writing, managing, and coordinating activities in ***BUSINESS*** **(sales, advertising, record-keeping, and special promotions);** ***PUBLICATION (photography, art, typing, production management, word processing);*** ***SENIOR SECTION*** **(individual pictures, write-ups, activities); and** ***DESIGN AND LAYOUT*** **(student life, sports, faculty and administration, underclass, and ads).**

Most were seniors, of course, but this year, there were also many juniors, and a few sophs and frosh. Some of these are photographed on this page. (The individual photographs below include some of the staff members who were production managers and page editors.)

At the yearbook break-up dinner, the Wyman Jewelry Awards for outstanding service were presented to Joanne Markow (Editor-in-Chief), Dana Rakvica (Business Manager), Heidi Panek(Production Coordinator), Lisa Greenfield (Managing Editor), Tina Levine (Financial Manager).

Special thanks is due to *Joanne Markow* who, despite a disabling sickness, which kept her out of school from April on, managed to "put out" many pages working at home and for a few hours in school; and to *Dana Rakvica* who sold enough ads to enable 8 pages to be added to the book.

This marked the 24th and last book for Sumner Tapper as advisor. Several thousand editors and staff members have worked with Mr. Tapper over the years in producing books that were innovative and impressive and which won many awards on the regional and national level. Thank you, Mr. Tapper, from your "kids."

CLASS OF 1990

OFFICERS

TO THE CLASS OF 1990:

It is my pleasure to congratulate each one of you on your graduation from Stoughton High School. You all are beginning another chapter of your lives as you have the capability to direct and control your destiny and influence the future. I look forward with eagerness to following your many triumphs.

The past two years as your Class Advisor have been most enjoyable and an extreme pleasure. It has been quite an experience working with such a unique and spirited class. I have made many friends through our many class activities and experiences together. These friendships will always have a special place in my heart.

When I think of the Class of 1990, I am so proud of you all. During these last few years you have come to realize that your education is a never-ending learning process. Some of you will further your education at the college level as others of you will enter the labor market and I hope each of you is successful in your future endeavors. My personal best for each of you as you meet the exciting challenges of the future.

With much love and affection,
Cheryl M. Anderson

Ms. Cheryl Anderson

Jennifer Collins

To the Class of 1990:

These past four years have been the best years of my life. As your class president I have really come to know you. Thinking of all the successful candy sales, spirit halls, dances and proms after our rocky first two years makes me very proud of how we came back strong as the class which began a new decade.

Our class wasn't afraid of change. We tried to make a difference. I think we succeeded!

I would like to thank all the officers and advisors for contributing to the success of the class. I would especially like to thank my fellow-officers who served the last two years for their continuing support and dedication in leading the class. Last, but not least, I don't think our class could have made it without the determination and dedication of our class advisor, Ms. Anderson. I am forever grateful to her, for she was the true backbone of our class.

We've had some ups and downs but that has prepared us for the best which is yet to come. I wish each of you the best of luck and success in the world.

IN MEMORIAM

Man with the burning soul
Has but an hour of breath
To build a ship of truth
On which his soul may sail —
Sail on the sea of death,
For death takes toll
Of beauty, courage, youth,
Of all but truth

John Masefield

As the school year neared its end, many Stoughton High students were saddened to hear of the passing, in April, of a former '90 classmate, DAVID ROSS.

David attended West and junior high schools in Stoughton. He left after the 8th grade for Texas and California.

Tragically, he died as a victim of an automobile accident while returning from a school function out west.

Although he did not attend Stoughton High School, he is remembered by many of the graduates of this year's class as a pleasant and good friend and we mourn his passing.

We mourn the passing of our classmate

JASON LAWRENCE SCANNELL

May 8, 1972-June 11,1989

"He was shy, but outgoing when you got to know him. . .He was fun-loving. . .he liked a good time. . .A very loyal friend. . .*We miss him very much. . .*" **(From a tribute by his close friends)**

"The wiser mind
Mourns less for what age takes away
Than what it leaves behind."
WILLIAM WORDSWORTH

We mourn the passing of our classmate

JAIMES (JIMMY) F. HENRIQUES

Oct. 18, 1971-Jan. 8, 1990

"Jimmy. . .We did not turn around in time to see the falling star. . .Suddenly, there are lots of things going through our minds. . .*We will never forget you!. . .*"

We love you, Jim

GOLDEN MEMORIES

Memories are treasures no one can steal,
Death is a heartache no one can heal,
Some may forget you now you are gone,
But we shall remember,
no matter how long.

DEDICATION

MR. FRANK COEN

Effective with the start of the next school year, Stoughton High will lose two of its veteran teachers to retirement. They will be missed. They share a love of teaching, an excellent sense of humor, a feeling of friendship with each student, and keen scholarship. ***We regret their leaving, but we wish happiness and health in retirement to Mr. Frank Coen and to Mr. Sumner Tapper.***

MR. SUMNER TAPPER

Mr. Frank Coen taught at Stoughton High School for 30 years, coming here from the Boston School System. He served with the U.S. Army in World War II, and as a sergeant participated in the D-Day landing. A graduate of Boston College, at SHS he has been an English instructor, Coordinator of English, and advisor to the Crusader, the school newspaper.

He headed the English Dept. during a period of most rapid growth, serving the needs of nearly-2000 students. During this time, he was responsible for introducing three major programs, which we now take for granted: the elective system, in which students are allowed to select courses of their choosing; the Humanities program, combining English and Social Studies courses; and the Intramural Writing Competition. He also sponsored several Book Fairs.

His newspaper was commended for a special issue which was produced following the assasination of President John F. Kennedy.

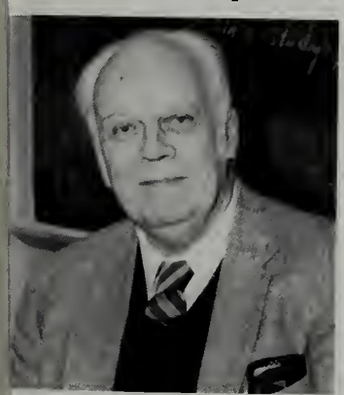

Mr. Tapper taught at Stoughton High for 26 years. A graduate of Bates College, he was with Army Ordnance, Security and Intelligence, during World War II. After working in private industry for 17 years, he left a position as top executive in his company and went into teaching. At Stoughton, he has been an English instructor, a director of drama, and advisor to several school publications.

He has introduced and coordinated many programs including the Intramural Writing Competition and Homecoming. He introduced several new courses to the curriculum including Bible as Literature, Protest and Dissent, Journalism, and Writing Seminar.

He was named teacher of the year by the Norfolk County Teachers Assn. and was nominated for national Journalism Teacher of the Year.

Since 1967 (yearbook) and 1968 (newspaper) he has been publications advisor. During this period the Semaphore, Crusader, Mainstreams, Senior Finale, Sports Weekly, and the Stotonian were all published. Several won national and regional awards for both the publications and for individual achievements by student writers and editors. Many of the SHS journalism graduates have gone on to top positions as reporters, editors, writers in newspapers, magazines, public relations, and advertising.

As the "Voice of SHS Sports," he was known to thousands of fans and players as the P.A. announcer at more than 100 football games and 200 basketball games.

"Who cares?"...*he* does!

Both individuals are worthy of our appreciation and admiration. Previous yearbooks describe some of this appreciation:

(1971 Stotonian dedication to Mr. Sumner Tapper): "You give but little when you give of your possessions. It is when you give of yourself that you truly give." *(Paula Olsiewski '71, editor)*

(1982 Stotonian dedication) **"Mr. Tapper does a very special service concerning this special year. He helps to save it. His expertise and understanding enables SHS students to produce an exceptional yearbook which preserves the faces and thoughts of 1982...Mr. Tapper teaches all aspects of the production of the book and spends countless hours assisting staff members in this pursuit."** *(David Stolow '82, editor)*

(1986 Stotonian dedication) **" to Mr. Frank Coen for making it fun to come to school on so many days and for proving that lerning doesn't have to be dull."***(Maurice Leger '86, editor)*

An award for the 100th game!

We salute 'MARTHA'...

...and good praise due MaryAnn (SADD) Casserly

STUDENT ADVISORY BOARD

STUDENT ADVISORY BOARD: **Jennifer Griffith '90, Mark Merzon '91, Kerin Kilday '92, Adam Rakvica '93, Peter Sadow '90 (chairman and student representative to the school committee)**

CENTRAL ADMINISTRATION

TO THE CLASS OF 1990:

My sincere congratulations to the Class of 1990 on your graduation from Stoughton High School. I wish you well as you begin a new phase of your life; some of you have chosen to continue your education at institutions of higher learning, while others have chosen to directly enter the work force. Whatever your choice, I do hope that you carry with you the essence of your schooling at Stoughton High School: that education is a lifelong process, the fruits of which are clarity of thought, dignity of purpose and wisdom of choice.

Our teachers, together with your parents, have worked diligently to help you reach this point in your career. We know that in the future you will represent your school and your family in most meaningful and committed ways that will make all of us very proud of you.

I wish each of you every success and thank you for the kindnesses you have extended to me during your student years.

My best wishes to all of you in the Class of 1990 for a healthy, happy and good life.

Sincerely,
John G. Murray, Ed.D.
Superintendent of Schools

SCHOOL COMMITTEE

STOUGHTON SCHOOL COMMITTEE: *(Front)* **Dr.Guy A. Tardanico, Mrs. Margaret Sewcyk;** *(Rear)* **Mr. David Camacho, Dr. Thomas Recupero, Mr. Michael Lanner**

On behalf of the Stoughton School Committee, I wish to congratulate you on your graduation from Stoughton High School.

I have the good fortune to have had the unique experience of serving the Stoughton Public Schools as a teacher, an administrator, and, for the past several years, as a School Committeeman. This experience has enabled me to clearly view the operations fom a school system in which teachers, administrators, school committee, and parents have worked tirelessly, in a unified fashion, to create programs which best meet the needs of each individual student.

You can be justifiably proud of your contributions to and your accomplishments with these many fine programs, first and foremost of which is our outstanding academic program at Stoughton High School. My hat is off to our National Honor Society, last year voted one of the Commonwealth's ten best; to Students Against Drunk Diving; to our Special Olympians; to our Peer Counselors; to our workers at the Black Knight Cafe; to ur outstanding scholars, including winners of national awards; to our outstanding athletes, including individual and team state champions and all-scholastics; to all of the students of the Class of 1990 who have worked so hard to make this class one of the most outstanding in the history of Stoughton High School.

In his poem *Ulysses*, the great English poet, Alfred, Lord Teynnyson, said, "I am a part of all that I have met: Yet all experience is an arch wherethrough Gleams tha untravelled world." Let us hope that your experience at Stoughton High, and all that you have met here, have given you the vision to glimpse the gleam of that "untravelled world," the promise of your future.

May that future be filled with health, happiness, and success and may your dreams and deeds lead others to the same.

My sincere best wishes to the Class of 1990.

GUY A. TARDANICO, Ed.D, Chairman

Mr. Anthony L. Sarno, Jr.*Principal*

TO THE CLASS OF 1990:

Congratulations upon the successful completion of your high school career. Graduation marks the begining of a new period of your life. The knowledge and experience gained at Stoughton High School are major factors which will assist you in completing all of your future goals.

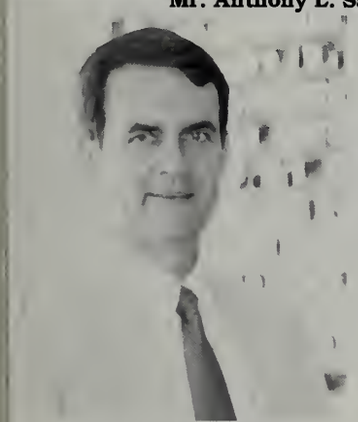

A new avenue of life now stretches in front of the members of the Class of 1990. It will have its obstacles, its barriers, and its detours. However, your knowledge, wisdom, and understanding will continue to move you forward.

The Class of 1990 has set the pace in leading Stoughton High School into the Nineties. You have been directly involved in many changes over the past four years. Your flexibility, support, and understanding have been outstanding and appreciated.

Your parents and teachers should also be congratulated. Their continued nurturing and support are directly responsible for your many successes.

I wish each of you success and happiness in all of your future endeavors.

Sincerely
Anthony L. Sarno, Jr.

Hard-working juniors pause: Nancy Paderson, Meri Love, Lori Cohenno, Nadalee Angelos, Lisa Melendy.

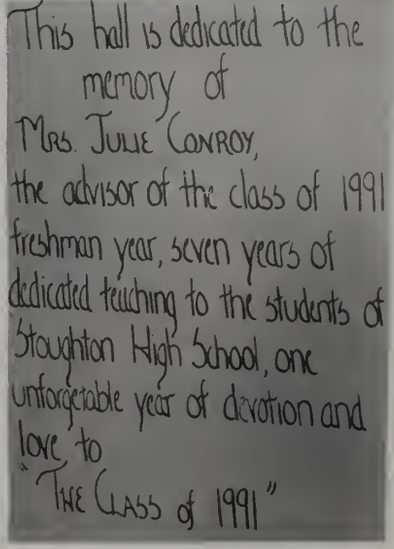

The jolly, jolly juniors took first place for the third year in a row of ***SPIRIT HALL competition.*** The class came together with their theme of the *circus*, using creative ideas and artwork to win over the judges.

Coming in right behind was the **senior class** with their version of *storyland*. Third place winners, moving up a place from last year, were the **sophomores,** with their sweet idea of *Candyland*.

Unfortunately, the theme of *1973-74*, the years in which the **Class of '92** was born, did not pull the freshmen through, but they're determined to come back next year.

Peter Sarlow, Stacy Wagner and the **Shanimal** herself, Shannon McCarthy.

"All men have the stars, but they are not the same things for different people. For some,...the stars are guides. For others, they are no more than little lights in the sky....In one of the stars I shall be living. In one of them I shall be laughing. And so it will be as if all the stars were laughing, when you look at the sky at night.....You--only you--will have stars that can laugh!"
